

AUDIOLOGY*HEARING AIDS*BALANCE

Please join the audiologists from Premier Medical Audiology and Hearing Aid Center for a Hearing and Hearing Aid Seminar, **May 22nd from 12-1:00pm HERE** at the Via Health, Fitness & Enrichment Center.

Forget about noisy hearing aids from the past! If you or a loved one have hearing loss, you will learn how new technology works with your brain to help you hear in noisy situations, allowing you to hear what you want to hear. Each attendee will receive a special discount off a set of new hearing aids and will be entered in a drawing for a chance to win a rechargeable kit (worth \$250).

Lunch will be provided but you **must** RSVP by May 1st to
251-341-3228

For more information, contact our office at 251-341-3228
